**\$117,879,000** +399.4%

Median Sold Price Per Square Foot

**\$849** +10.7%

“Months’ supply” indicates the amount of time it would take to sell all the homes currently on the market, assuming the current sales rate continues. Historically, six months of supply is linked to moderate price growth or a ‘balanced market’. If the months’ supply is lower, prices typically increase more quickly.
